**space** EXTENDER  
OCEANREEF®

WE WERE ALL BORN FROM THE SEA.

Maybe that's why we're so irresistibly attracted to it.

As soon as we're immersed in it, once again we turn to breathe, we feel we're back to our true natural setting.

In our every effort, every thought, every dream, the sea finds its way.

We yearn to be back in it to better observe it, to admire its grandness, always with new eyes.

To be back in it, to be astonished by it and to share its wonders with our friends.

To be back in it, to imbue new life to the very place that's been witness to the birth of all.

**OCEANREEF®**  
underwater, naturally.
